Note: All students must ensure the following:

1. They have to install the Google Meet app well in advance
2. They can directly join the viva voce by clicking the link given against their group at their scheduled time. They have to click the link 10 minutes before their time and wait for the permission.
3. Since they will have limited time, they need to be quite alert and prompt listening the instructions and following them.
4. When asked, they have to very clearly tell their names and Roll numbers.
5. When all the students of a group have joined, only the one who is addressed will unmute his mike and turn his video on; all others will essentially keep their mikes and videos on off mode.
6. In case they have an urgent query during viva voce, they can call at 8303780008.
