

## VOCATIONAL/SKILL DEVELOPMENT COURSE :

Students at the undergraduate level will also have to study a **Vocational/Skill Development Course** in each semester of the first two years (from 1 to 4 semesters continuously). Following vocational courses have been currently approved for the students:

### 1. Assistant Yoga Instructor :

This course has been designed for the first year students of both semesters.

### 2. Business Correspondent :

This course has been designed for the second year students of both semesters.

If required more Skill Development courses will be framed and necessary modifications will be made in the interest of the students. In accordance with the orders of the state government and guidelines of the V.B.S. Purvanchal University, the above courses have been designed as per the directions of Ministry of Skill Development and National Skills Qualification Framework. The college has signed MoUs with recognised skill partners to run the courses smoothly on the campus.
